

2020 Ohio Council Compliance Training - Part 1

Tuesday September 29th, 2020

Webinar 9:00am-12:00pm

Goals and Objectives:

1. Participants will be able to identify high risk areas for behavioral health provider organizations that are most likely to trigger an audit and recommendations for best practices to avoid risk and help organizations prepare for an audit with various regulating bodies.
2. Participants will be provided with up-to-date information on state and federal laws regarding patient confidentiality, strategies for appropriately utilizing CARES Act funding, and how to effectively use telehealth to support legal and ethical practice amid the COVID pandemic.

How does this program relate to focus areas identified above?

CSWMFT Ethics & CDP R9:

Licenseses will have current information on federal and state laws regarding client confidentiality and best practices for billing and documentation in clinical and administrative practice (3 hours)
