

2020 Ohio Council Compliance Training - Part 2

Thursday October 29th, 2020

Webinar 9:00am-12:00pm

Agenda

9:00am-10:30am

Clinical Documentation Compliance

This session will provide recommendations for compliant clinical documentation, including medical necessity and the various required components of the client record, including chart audits, treatment plans, progress notes, and assessments.

Presenter

Jennifer Riha, Vice President of Performance Improvement & Service Delivery - I Am Boundless, Inc.

10:30am-12:00pm

Building Compliance into your Electronic Health Record (EHR)

This session will provide recommendations for best practices in setting up your EHR, including reports, edits, and settings to catch compliance issues before they start.

Presenters

Chelsea Kohler, Lead EHR Implementation and Billing Project Manager
- Behavioral Health Billing Solutions
