

2020 Ohio Council Compliance Training - Part 2

Thursday October 29th, 2020

Webinar 9:00am-12:00pm

Goals and Objectives:

1. Participants will be able to identify best practices for compliant clinical documentation, including medical necessity and the various required components of the client record.
2. Participants will be able to identify best practices in setting up an electronic health record, including reports, edits, and settings to catch documentation and billing compliance issues.

How does this program relate to focus areas identified above?

CSWMFT Ethics & CDP R9:

Licensees will have current information on federal and state laws regarding professional, legal and ethical standards related to documentation and billing for client services and maintaining client records. (3 hours)
