

2020 Ohio Council Telehealth Training

Wednesday October 14th, 2020

Webinar 3:00pm-4:30pm

Agenda

3:00pm-4:30pm

Clinical Strategies for Client Engagement through Telehealth

This training will provide recommendations for engaging clients using telehealth platforms and tips to overcome common barriers and challenges. This training will offer an interactive experience for attendees to ask questions and participate in polling questions.

Presenters Bart Andrews, PhD. – Chief Clinical Officer, Behavioral Health Response
 Dr. Carolyn Rekerdres – North Eastern Region Medical Director, East Texas Behavioral Network.
