

2020 Ohio Council Telehealth Training

Wednesday October 14th, 2020

Webinar 3:00pm-4:30pm

Goals and Objectives:

1. Participants will be able to identify client engagement strategies for various populations and best practices when using telehealth for service delivery.
2. Participants will be able to identify tools and resources to use for the delivery of telehealth services and learn strategies to implement when faced with common barriers and challenges of using telehealth.

How does this program relate to focus areas identified above?

CSWMFT Methods of Intervention & CDP C2:

Licenseses will receive information on best practices for treatment interventions provided using telehealth (1.5 hours)
