University Hospitals of Cleveland
2012 FORENSIC CONFERENCE

November 1, 2012

Sponsored by the Ohio Department of Mental Health,
Office of Forensic Services

John Kasich, Governor
Tracy Plouck, Director, ODMH
Deborah Nixon-Hughes, Deputy Director, Program & Policy Development
Christopher Nicastro, Chief, Office of Forensic Services
Goals & Objectives

Participants will be able to:

• Recognize the presence of mental illness and criminal risk in persons with SPMI that are justice involved;
• Identify effective correctional interventions for working with offenders and effective mental health interventions for working with persons with mental illness;
• Identify a theoretical model and evidence-based interventions to guide service delivery for persons with mental illness in the justice system;
• Describe the Risk-Need-Responsivity Framework;
• Become familiar with the components of an empirically-validated tool for assessing criminogenic risk;
• Describe specific challenges of evaluating an individual with psychopathy;
• Understand recent developments in Ohio mental health case law and the impact of these cases upon clinical practice;
• Describe an integrated approach to treating involuntary clients with serious co-occurring mental and substance use disorders;
• Understand different models of malingering and describe assessment strategies for detection of malingering;
• Discuss barriers and facilitators to community integration for ODMH Regional Psychiatric Hospital patients with a forensic status who are returning to the community.

Who Should Attend

• Clinicians who work with the forensic population
• Community-Based providers
• Forensic Monitors
• Hospital-Based staff including, psychiatrists, psychologists, social workers, nurses and ancillary treatment staff
• Prison/jail clinicians who work with individuals with SPMI
• Administrators of agencies/hospitals that develop policies and procedures related to work with the forensic population.
Continuing Education

Application has been made for Continuing Education credits for Physicians, Psychologists, Nurses, Social Workers and Counselors.

Keynote Speaker

Robert Morgan, PhD

Dr. Morgan received his B.S. in Psychology from the University of Nebraska-Kearney, M.S. in clinical psychology from Fort Hays State University, and Ph.D. in counseling psychology from Oklahoma State University (1999). He completed a predoctoral internship at the Federal Correctional Institution—Petersburg, Virginia and a postdoctoral fellowship in forensic psychology at the Department of Psychiatry, University of Missouri-Kansas City and the Missouri Department of Mental Health. Dr. Morgan joined the psychology department at Texas Tech University in 2000. He is the John G. Skelton, Jr. Regents Endowed Professor in the Department of Psychology.

Dr. Morgan's research interests are in correctional mental health, specifically treatment of mentally disordered offenders, and professional development/training issues. His research has been funded by the National Institute of Mental Health (NIMH), National Institute of Justice (NIJ) and the Center for Behavioral Health Services & Criminal Justice Research. Dr. Morgan was the 2003 recipient of the Early Career Achievement Award presented by Division 18 (Psychologists in Public Service) of the American Psychological Association and the 2006 Outstanding Contribution to Science Award presented by the Texas Psychological Association. He is a fellow of the American Psychological Association (APA), and Past-President of the division of Psychologists in Public Service (APA).

In addition to his Texas Tech duties, Dr. Morgan is also the Director of Forensic Services at StarCare Specialty Health System (a position he has held for approximately 10 years). In this role, Dr. Morgan assisted in the development and currently directs a community-based forensic services program emphasizing pretrial evaluations (competency to stand trial and criminal responsibility) and a community-based competency restoration program.

In addition to his professional work, Dr. Morgan enjoys spending time with his wife and three children. He is passionate about the Nebraska Cornhuskers football team, and enjoys participating and coaching various sporting activities, a good game of poker, and cheesy action adventure movies.
Plenary Speaker

Delaney Smith, MD

Dr. Delaney Smith is the Assistant Chief Clinical Officer for forensic services and the Director of Medical Education at Twin Valley Behavioral Healthcare in Columbus. She is also Adjunct Clinical Assistant Professor at Ohio State University Medical Center Department of Psychiatry and Clinical Assistant Professor of Psychiatry at Ohio University College of Osteopathic Medicine. Dr. Smith also conducts a variety of forensic and disability evaluations in a private setting.

Dr. Smith earned her B.A. in Psychology at Boston University in 1998, graduating Summa Cum Laude with Distinction. In 2002, she was awarded the M.D. degree at the Ohio State University, College of Medicine. She completed a Forensic Psychiatry Fellowship in 2007 at Case Western Reserve University in Cleveland. Dr. Smith has also consulted with the Department of Youth Services.

Dr. Smith has published numerous articles and has presented on a variety of topics including cultural diversity, violence risk and competence to stand trial.

Plenary Speaker

Stephen Noffsinger, MD

Dr. Steve Noffsinger received his medical degree in 1987 from Northeast Ohio Medical University and a B.S. in Natural Science from the University of Akron in 1983. He completed his Residency in Psychiatry at MetroHealth Medical Center in Cleveland and a Fellowship in Forensic Psychiatry at University Hospitals of Cleveland in 1996.

Dr. Noffsinger holds many appointments including:

- Faculty, Case Western Reserve University School of Medicine
- Associate Director, Forensic Psychiatry Fellowship, University Hospitals of Cleveland
- Senior Lecturer (Adjunct Faculty), University of Akron School of Law
- Forensic Psychiatrist, Cuyahoga County Court Psychiatric Clinic
- Stephen Noffsinger, M.D., Inc., Walker Building/University Hospitals of Cleveland
- Forensic Psychiatry Consultant, Northcoast Behavioral Healthcare

Dr. Noffsinger served as Chief of Forensic Psychiatry at Northcoast Behavioral Healthcare from 1996 to 2011. He has published numerous articles and book chapters on various topics in forensic psychiatry. He is a recognized expert in mental health case law and the impact of these cases on clinical practice.
