Care Coordination Training AVAILABLE SEATS

*Participants seeking training in Intensive Care Coordination must attend 3 consecutive days of training

*Participants seeking training in Moderate Care Coordination must attend 2 consecutive days of training

*The participant will register once, and it will give them access to the link for all of the necessary training days

*For those who wish to be trained in both, they will need to complete the full training for each specialty (3 days of ICC and 2 days of MCC)
