

Introduction to the American Society for Addiction Medicine (ASAM) Criteria Fourth Edition

FREE training offered by AmeriHealth Caritas Ohio

Virtual workshop presented by

Kristi L. Enochs, MSW, LCSW

Senior Clinical Training Specialist, AmeriHealth Caritas Family of Companies

Two separate trainings offered via Zoom (register for one):

Monday June 17th 9:00 – 12:15 p.m. | Tuesday June 18th 1:00 – 4:15 p.m.

Description: *The ASAM Criteria* Fourth Edition uses a holistic, person-centered approach to determining the appropriate level of care and developing individualized treatment plans for clients with substance use disorders (SUDs) and co-occurring conditions. This training will introduce core components of the ASAM Criteria, along with Fourth Edition updates to level of care assessment, decision rules, and continuum of care. Didactic material and case scenarios will be used to illustrate ASAM's six dimensions and how multidimensional assessments are used to develop appropriate level of care recommendations and person-centered treatment plans that consider each client's unique biomedical, psychological, and sociocultural context.

Objectives:

- (1) Describe core components of ASAM Criteria, including (a) level of care assessment, (b) decision rules, and (c) continuum of care.
- (2) Introduce 4th Edition updates, including new terminology, levels of care, and guiding principles.
- (3) Examine how ASAM dimensions and risk ratings can be used to inform level of care recommendations and person-centered treatment planning.

3.0 CEUs pre-approved for Ohio Counselors, Social Workers, & MFTs*

(CSWMFT Provider #: RCS092303 & RTX032403)

Licenses from other disciplines are encouraged to contact their state licensing board to request continuing education credit for this training event.

*Participants must stay for the entire training and complete an online program evaluation survey at the end of the webinar to receive continuing education credit. Please note that partial credit will not be awarded for this event.
