

# Equipping Ohio to make a difference

“SUD COE is an extraordinary resource for our agency to be able to access free, timely trainings in a virtual format... [my staff] especially enjoy being able to interact in real time with trainers and listen to others' stories.” – **Clinical Director at Hispanic UMADAOP**

**42** trainings delivered in March  
(281 total to-date)

**858** total attendees in March  
(5579 total to-date)

**950+** live training hours invested  
in workforce development  
to-date

**96%** of March survey respondents rated  
the trainings as excellent or very good,  
reflecting their high impact and value

**54%** increase in recovery peer supporters  
attending trainings since October 2024

The SUD COE training catalog was distributed  
to **every** Ohio county MH/SUD board
